
PAM RICHARDSON

Pam Richardson has always had a love for dogs and without any real knowledge of purebred dogs or the sport of dogs, she purchased her first Silky Terrier as a pet in 1989. Once she had a purebred dog, she became interested in learning more about dog shows. With the help of friends she learned how to enter a show, then she met her first Silky friends, and she was hooked.

Pam's breeding program includes in excess of 12 Silky Terrier champions, and she has personally shown 6 of those to their championship titles, along with two to their Companion Dog titles. In addition to Silkys, she currently owns an Anatolian Shepherd dog.

After becoming actively involved in showing and breeding, she joined the Brazos Valley Kennel Club, and when she moved to the El Paso area she joined the Onate Trails Dog Fanciers Association where she was involved in fun matches and served as Match chair in 2010. Pam is a member of the Silky Terrier Club of America, has attended approximately 15 Specialties, and currently serves as a member of the Board of Directors. She has also served as a STCA Top Twenty steward and a Top Twenty tabulator.

In considering her for STCA's Sweepstakes judge, she wants the membership to know she loves the Silky Terrier breed, has been "judging" ringside for a while, and would appreciate the opportunity to evaluate hands-on the beautiful specimens of our breed presented in the show ring. She would be honored to be selected to judge the 2018 Sweepstakes and would view it as a chance to contribute to our breed in one more way.
