Historical Information

Condensed History Prior to Becoming an AKC Club

November 28, 1954 “*THIS WEEK*”, magazine cover picture of Redway Blue Boy was published and the surge of imports from Australia began. In 1954 there were approximately thirty (30) Silkys in the United States.

March 25, 1955 The first meeting of the “Sydney Silky Terrier Club of America” was held at the Home of Roland & Betty Stegeman in Richmond, California. The name of the Club was soon changed to the “Silky Terrier Club of America” to conform to the American kennel Club’s name for the breed. Monthly meetings were held in the San Francisco Bay area, primarily at Member’s homes.

May 29, 1957 STCA accepted its 100th Member

June 11, 1958 AKC advised STCA that they were printing registration application forms for Silkys for possible recognition of the breed.

March 30, 1959 The STCA Stud Book was sent to the American Kennel Club with four hundred and forty Silky registration applications with a copy of the first national standard for Silkys in Australia which was adopted there on this same date. This national standard in Australia was the result of the STCA’s efforts. Prior to this each state in Australia had their own standard for the breed. The AKC chose not to adopt the Australian standard.

May 1, 1959 Silkys were accepted as AKC’s 113th Breed. Silkys were shown in the Miscellaneous Class through June 1959.

July 4, 1959 The first American Kennel Club show at which Silkys were eligible to compete for Championship points.

August 13, 1960 The first plan A Sanctioned match was held in Los Altos Hills, California. We were required to wait six months before holding another.

April 23, 1961 The second plan A Sanctioned match was held at the same location. This qualified STCA to hold its first specialty show.

November 19, 1961 The first STCA specialty was held at San Mateo, California. One per year was held through 1967. (1968 through 1973 two specialty shows were held per year).

November 23, 1962 STCA was incorporated in the State of California.

June 14, 1966 STCA became a member club of the American Kennel Club.

Original Silky Terrier Mascot (Logo) 1959-1989

From the minutes of the January 29, 1959 STCA meeting: “The President (Peggy Smith) appointed Betty Britt and Howard Jensen to work up a new letterhead, using a picture obtained from Australia of a very representative Silky which had been a champion, but is now dead. Use of such a picture avoids partiality being shown to any American Silky now alive”. By corresponding secretary Howard Jensen.

From the minutes of the March 31, 1960 STCA MEETING: “The AKC will use, in the Book of Dogs, the Club’s “mascot” used on the stationery. It was requested by AKC the identity of the dog not be revealed. It is a deceased Australian Champion never shown in the United States.” By corresponding secretary Betty Britt.

From the minutes of the May 24, 1964 STCA meeting: “The placement of the STCA mascot on the Standard was brought up by a letter from the Silky Terrier Club of Southern California. Their views were unanimous against the inclusion of any type of Silky picture or illustration of any living or deceased dog. Their reason being that judges not familiar with the breed might draw inaccurate conclusions from glancing at the picture or illustration placed on a copy of the standard.” By corresponding secretary Dolly Navarro.

From the minutes of the June 25, 1964 STCA meeting: “Regarding the issue of printing the STCA mascot on the Standard, the chairman reported to the membership in attendance that the Board had unanimously agreed that a new motion to rescind the motion to print the mascot on the Standard would be in order at this meeting. It was MSC, with 14 affirmative and 1 no vote, that the old motion be rescinded. The Standard will now be printed without the mascot picture.” By corresponding secretary Dolly Navarro.

Permission for use: This was granted to the Silky Terrier Club of Southern California. All requests by individuals were denied. It is to be used only by STCA to avoid any misrepresentation.

January 26, 1967: The Club’s application for a patent of the mascot was denied by the U.S. Patent Office.

Addendum Re: The STCA “Mascot”:

The opinion that the mascot was a ‘very representative Silky Terrier’, as noted in the minutes of the January 29, 1959 meeting, was that of the secretary, Howard Jensen. The photo was given to Peggy Smith by Frank Longmore in Australia in 1958. Mr. Longmore was the dean of Australian dog show judges. The photo was taken by his daughter, Olive Longmore Bonnar, a dog portrait photographer. With the photo Mr. Longmore gave his opinion of the pictured dog: “You know that this shot was selected by me, not as the ideal Silky, but because I wanted it for my own collection. Just a nice shot of a nice little dog. To me, in this picture, Pete looks to be a little dog of Yorkie type. Straight in shoulder, short in quarter, close coupled, high behind, short in pelvis and with the tail jammed on high as is the case with all dogs of this anatomical structure. The expression is not true Silky as there appears to be far too much hair hanging over his face, as in fact there was. To my mind he is much too Yorkie in type and therefore not sufficiently Silky.

Silky Terrier Mascot (Logo)

This Silky Terrier sketch was adopted as the Club's official logo by the 1989 Board. It replaced the photograph which had been the Club's official 'mascot' since 1959. This logo was inaugurated on the 1990 membership cards and in the heading of the January 1990 Newsletter. It will be used on the Club's printing of the 1989 revised Standard for the breed and on the stationery and envelopes used primarily by the Membership Chairman, Secretary and the Special Services Coordinator to answer inquires about the breed or the Club. The Newsletter can continue being sent in the pre-paid postage, return address envelopes purchased from the Post Office. Existing Club awards will continue to carry the old mascot but any new awards will use this logo.

Specialty logos will be at the option of the host group. They may use the logo, the mascot or a logo specially designed for the occasion. However, the title page of the catalog must carry this official STCA logo. The catalog cover design is at the option of the host group.

Replacing the mascot with a sketch of a more representative Silky Terrier had been discussed often before any official action was taken. In 1982 the Board considered adopting a sketch which had been used by the RASKC in Australia to illustrate the Standard. Their decision was to continue using the mascot. **This same year the AKC changed the name of the Brittany Spaniel, deleting the word "Spaniel" and choosing the word "Brittany" as the official plural spelling for the breed. This prompted the STCA to choose "Silkys" as the official plural spelling for our breed ending a long controversy concerning the correct spelling. (Some members had preferred "Silkies" which is the name of a breed of chickens.)**

At the February 3, 1988 Board Meeting the possibility of replacing the mascot was discussed. A committee was appointed to look into the matter. The committee consisted of Peggy Smith, Chairman, and Stephany Monteleone. The February 1988 STCA Newsletter requested members' opinions of updating the Club's illustration of a Silky Terrier. The majority of those whose comments were received were in favor of a change. Subsequently Peggy Smith met with Pamela Powers at the American Kennel Club's offices in New York City. She became aware of Pamela's talent from her drawings in the Illustrated Guide of the Finnish Spitz, a joint venture of the Finnish Spitz Club and the AKC. After discussion of the Standard and three Silky photographs, being aware that the Club might not accept the sketch, she commissioned Pamela to draw a composite sketch of the photos. After two preliminary sketches were made she accepted the third. The sketch was also acceptable to the Board.

The sketch was pictured in the December 1988 Newsletter for members' comments. The majority of those who responded were in favor of adopting it. A few suggested some minor changes. The Board made inquires of the artist as to the possibility of making some minor changes. However, the sketch had been 'finish sprayed' making it impossible to revise. Changes would require paying for another sketch. The Board decided the expense wasn't warranted.

Peggy Smith declined reimbursement by the Club for the sketch and the print for the Newsletter. It will appear as an illustration of the Standard in her book "The Complete Silky Terrier" to be published by Howell Book House.

First STCA Newsletter

**SYDNEY SILKY TERRIER CLUB of AMERICA,
319 Starling Road, Mill Valley, Calif.**

NEWSLETTER NO. 1

Henceforth, periodic Newsletters will be issued to members of SSTCA and owners of Sydney Silky Terriers throughout America. In essence, they will be minutes of monthly meetings held the last Friday of each month but will contain supplemental information concerning activities other than meetings. We solicit your criticisms, recommendations and comments, requesting they reach us before the next meeting so communications received may be discussed and written into the minutes of that meeting.

A general discussion preceded the informal meeting of the SSTCA held at Mrs. Marguerite Citrino's home Friday, February 25, 1955. The meeting was informal because election of officers is being withheld until all San Francisco Bay Area memberships are in, at which time proper officers will be elected. It is hoped Chapters of SSTCA will soon be founded in metropolitan areas of New York and Los Angeles where there are fair sized numbers of Silkies, though not as great as the Bay Area. The President of each Chapter will hold office of Executive Vice President in the National organization. We shall do our utmost to help those wishing to establish such Chapters and will welcome your communications in this regard. As a matter of explanation, the title of "Board Representative" has been temporarily adopted by founders of STCA until such time as definite Board Members are elected by the membership.

"Sample Constitution and By-Laws", published by AKC, were read. Each member may obtain a copy by writing American Kennel Club, 221 Fourth Ave., New York 3, N.Y. With the widespread membership we have, business will have to be conducted by questionnaires and proxies and amendments made to Article III, Sections 1,2,3 and 4. Article IV will have added the offices of Executive Vice Presidents for elected Chapter Presidents. In Article V, Section 3, proxies will permit voting on other business as well as election of officers. The rest of "Sample Constitution and By-Laws" is in accord with our necessitated mode of operations. We hope to print our own Constitution and By-Laws later at the time of our Incorporation under State Law.

The Application for Membership form was read and approved. It will be placed in the hands of all Silky owners within two weeks. We urge its immediate return so you may be considered a Charter Member, deadline for which will be April 30, 1955.

The brochure was discussed and is being reread again. This will contain history, facts, standards and characteristics of Silkys and will be given each S.T.C.A. member. We are hoping to obtain a supply of booklets, prepared by leading research organizations on care, training and breeding, to enclose with the brochure which will eliminate the work and expense of including such data in our official brochure. The subject of expenses thus far incurred brought up a recommendation that dues be not less than \$3 and not over \$5 a year. These will be spent solely on operational costs, which have all been contributed to this point, but cannot continue without heavily taxing those individuals who are also doing all the work now. We would like your comments on this.

General discussion followed concerning how greater satisfaction is obtained in handling a dog yourself in the ring, when possible, than having a handler do the job. Suggestions were made that Silky names be as Australian or English as possible. Plans were made for a Club banner to hang above stalls at dog shows. R.E. Garrett's Redway Splinters' Boy was the first Silky ever shown in a San Francisco show at the Golden Gate KC show 1/22-23/55. He was joined at the Marin Northbay KC show in San Rafael, 2/6 by Mrs. M. Citrino's Blue Geraldine, T.J. Fromm's San Gate Earl Jocko, and H.A. Jensen's Redway Lord Teasel. The three men again showed at Santa Clara County K.C. Show in San Jose, 2/27/55. Mrs. Citrino will exhibit Blue Rihi von Bonzer and Mrs. Ture Dahlstrom's Chota Choy Gimlet will compete with the men's three dogs at Oakland K.C. Show in Oakland

STCA Specialty Dedications

When the number of entries at our Specialty Shows warranted it, the Club began holding the Independent Specialty Show with its' own catalog instead of being in-conjunction with all breed shows. This presented the opportunity to dedicate Specialties in memory of recently deceased long-time members for their dedication to Silky Terriers and the Club.

THE FOLLOWING SHOWS WERE DEDICATED IN MEMORY OF:

1981 -Betty Young
 1983 -Peggy Lawson
 1984 -Dr. Benjamin H. Ackerman
 1987 -Dick Estrin & Kay Magnussen
 1990 -Richard D. "Dick" Hammond & Laurel J. Gilbertson
 1991 -Carolyn Stewart
 1993 -Arlene Lewis
 1994 -Allen Marshall Sr.
 1995 -Jean Smith
 1996 -Theodas "Ted" King
 1998 -Lee Easton Bergum, Laurie Ericson & Eleanor "Ellie" Norton
 1999 -Arlene B. Clark
 2000 -Lorraine George -Verna Tucker & Carol Marshall
 2007 -Dorothy Hicks-Joan Edwards
 2009 - Beverly Lehnig

ADDITIONALLY, THE CLUB DEDICATED TWO SPECIALTIES TO LIVING MEMBERS.

The 1986 Specialty was dedicated in honor of Arline B. Clark an active member since joining in 1965 until shortly before her death in 1999. Arline initiated the STCA Memorial Fund, began compiling scrapbooks of early breed publicity and initiated the first Guideline Manual. She made contributions to the breed and Club in numerous ways as a breeder, exhibitor, Specialty Chairman, Secretary and Board Member.

The 1989 Specialty was dedicated in honor of Mrs. Merle E. "Peggy" Smith, a member since

1955 who continues as a self-described compulsive breed and Club record keeper. She has been the Club's official and unofficial record keeper since the Club's beginning. Prior to the Club's beginning, in November 1954, a photo of her Redway Blue Boy appeared on the cover of This Week Magazine, a national Sunday newspaper supplement, which brought country-wide attention to our rare breed. Peggy has served as President, Recording Secretary (a necessary position until the STCA Stud Book was submitted and accepted by the AKC), Secretary, Board Member, Newsletter Editor and Specialty Coordinator. Peggy has also contributed to Silkys as a breeder and exhibitor.

This same year, 1989, the Club initiated the Distinguished Service Award, named in Peggy's honor, to recognize future STCA members for their "service above and beyond the call of duty". (page 26)

Record Keeping for STCA and Silky Terriers

Record keeping on Silkys in the U.S.A began well before the time of AKC recognition of the Breed. A few very dedicated Silky owners kept these records. It was thanks to their efforts that Silkys gained AKC Recognition and that STCA was started. **Now it is the responsibility of STCA to insure continued record keeping for the breed and for STCA activities.** Self-appointed STCA historians have kept some of the records listed below voluntarily; individuals coordinating various STCA activities keep others. It is important to Silky/STCA history that these records continue to be maintained and updated annually.

STCA Awards and Recognitions

This Section contains all Silky Terrier Club of America trophies, awards and recognitions that have been in effect since the Club's founding. The American Kennel Club's letter, dated November 17, 1971, confirms the Club's requirement that all three-time-win Specialty trophies must have identical ownership. A copy of this letter can be found in the History Section. Those trophies that have met this requirement, and retired, are listed at the end of this Section. Club policies and guidelines concerning trophies and awards will be found in Section 1 STCA Policies and Procedures.

STCA Members Achievement Awards

The Peggy Smith Distinguished Service Award

1. In 1989 STCA presented the **First Distinguished Service Award**. It was initiated to give the Club a **Special Way** to recognize those very special members who serve the Club and Silkys with exceptional and dedicated contributions. It is meant to be the highest recognition with which the Club can honor a member.
2. Peggy Smith was selected as the first honoree for her unequalled contributions to the growth of STCA and for her efforts toward gaining AKC recognition of Silky Terriers. Her dedication and devotion have helped insure STCA and Silkys have a permanent place in the world of dogs. Her contributions will always be an inspiration for all Silky fanciers and in this regard the Board felt it was most fitting to permanently name this award **The Peggy Smith Distinguished Service Award**.
3. To insure that the initiation of this award was very special the 1989 Board dedicated the Specialty to Peggy and a unique one of a kind plaque was presented to her at the awards dinner. The plaque was a photo plating reproduction of the picture of Peggy's Silky, Redway Blue Boy, which had appeared on the cover of This Week Magazine in 1954. This photo turned out to be very special as it brought national attention to our rare breed. The plaque design was suggested and produced by Mary Estrin.
4. The Board, having officially established the Peggy Smith Distinguished Service Award, wanted to have the pleasure of presenting the first one by its permanent name. It was immediately obvious that there were three members who equally deserved to share the honor of being first recipient. So in the initial

year STCA honored Betty Britt, Laurel Gilbertson and Arline Clark. The contributions of these members span most of the years of STCA's existence and their work for the Club has complimented that of Peggy Smith and helped keep the backbone of STCA strong.

5. These three honorees were presented designed plaques that featured the New Logo and are similar in size and design to the Club's 20 Year Plaques. This design is to be the permanent one used to present for this award. The 1989 Board having voted and approved that only the New Logo will be used on the Peggy Smith Distinguished Service Award.
6. This award will not necessarily be given annually, but will be given as the Board of Directors deems it appropriate to honor extra special contributions. The Board makes the final decision on the recipient, but any member may suggest a name for the Board to consider in any given year.

Annual Recognitions

All Annual awards given by S.T.C.A. will be identical Plaques (2006)

Iradell Trophy

The Iradell Trophy is offered yearly by STCA. It is awarded to the Silky Terrier dog or bitch with the most Best of Breed wins during the year where there are points in dogs or bitches and when at least two owners have Silkys in competition. Credit points toward this trophy are based on the total of the points won by Winners Dog and Winners Bitch.

1. The design of the trophy is to be a plaque the same as or of equal value to the Stroud Mandy Fowler CD Trophy. (1982)
2. Only STCA Members are eligible for the trophy.
3. The owners and any co-owners must have been members of STCA for the entire

calendar year. (2001)

4. The Annual Awards Coordinator selects and sends the Iradell Trophy.
5. This trophy was first offered by Mrs. N. Clarkson Earl, Jr. in 1959. This was prior to any rating systems for show dogs and Mrs. Earl suggested a system for counting points toward the Trophy based on the total number of points in dogs and bitches. Mrs. Earl continued to offer the trophy thru 1971 with the exception of 1969 when it was offered by STCA in memory of Mrs. Earl's husband, Col. N. Clarkson Earl Jr. who had been selected to be the STCA's first Delegate to the AKC; however he died before he could fill the position. When Mrs. Earl disbanded her kennels and discontinued offering the trophy, STCA took over this annual award and followed Mrs. Earl's suggested system for counting points toward the Trophy.

Stroud Mandy Fowler C.D. Obedience Trophy

Stroud Mandy Fowler C.D. was the first Silky to gain an AKC title which she did prior to AKC recognition of the breed. Miscellaneous Class Silkys were eligible to compete toward Obedience Titles. She was imported from Australia in 1955 by Zell Fowler Neilson who died in 1967. The Stroud Mandy Fowler C.D. Obedience Trophy was first awarded by STCA in 1979. It is awarded to the Silky Terrier which accumulates the greatest number of points based on the following point scale.

200 equals 8 points 185- 189.5 4 points
198-199.5 7 points 180- 184.5 3 points
195-197.5 6 points 175- 179.5 2 points
190-194.5 5 points 170- 174.5 1 point

As Performance events are executed by a Dog and Handler 'Team', the Handler must be a member of the Silky Terrier Club of America. *Plaque is the same value and design as Iradell Trophy.*

STCA Three-Time-Win Specialty Breed Challenge Trophies

For permanent possession: must be won three times by the same identical owner(s), not necessarily with the same dog, nor at consecutive shows. The American Kennel Club's letter, dated November 17, 1971, confirms the Club's requirement that all three-time-win Specialty trophies must have identical ownership. A copy of this letter can be found in the History Section. The Silky Terrier Club of America offers the following Trophies for Competition at its Specialty Shows only, thru the generosity of the people named. **Exception:** Performance 3 X Challenge trophies are won by the "team" of dog and Handler – therefore it is the Handler and not the owner of Performance dogs that must qualify.

- **Note: All retired 3X Trophies and winners are listed at the end of this section.**

Additional Specialty Awards

Specialty SilkyTeen Obedience Trophy

This trophy is for the SilkyTeen with the highest qualifying score in obedience at each Specialty. STCA SilkyTeens only are eligible for this award (1992)

This trophy is provided by a donor or from the SilkyTeen budget. The SilkyTeen coordinators are responsible for obtaining a donor for this trophy. The design of this trophy should be standard from year to year. When there is no SilkyTeen in competition that gets a qualifying score at a Specialty the Trophy will be carried over and offered at a subsequent Specialty until won. Then a new donor will be found if the current donor does not wish to donate replacement trophy.

None have qualified as of this 2011 Manual Revision.

Super Silky Recognition -

This award was offered from 1988 through 1996 to recognize the versatility of Silkys. The idea for this award was made possible through the generosity of Bim Landers who donated some “like new” trophies to STCA. Entries were presented in Newsletter articles and the winners were judged on the uniqueness of behavior. In some years all entries were of the same sex resulting in the following winners:

RETIRED FUNDS:

The Memorial Fund (roled into Health Fund)

The idea of a Memorial Fund, to honor the memory of STCA charter member Elsa Vinisko, was that of Peggy Lawson in 1974. In 1977, Arline Clark suggested we institute a permanent memorial fund to which members could contribute to honor a special person or Silky. The \$56.00, which remained in the Vinisko fund, was transferred into a special new Memorial Fund to be used for donations to worthy animal related organizations. Since then countless STCA members, as well as some non-members, have made contributions to the Fund in memory or honor of people and Silkys. It was designated the Fund was to be kept as a separate fund. An appointed committee reviews members' suggestions, which are solicited periodically thru the Newsletter, of organizations thought worthy to receive donations. Since its beginning more than \$2000.00 has been donated by STCA to such worthy organizations as International Hearing Dogs, Canine Companions for Independence, Take the Lead, and Dogs for the Deaf.

Members making a donation to this Fund need to remember to specifically specify that their donation is for the Memorial Fund and who or what it is in memory of, because the Club also has other funds that accept donations.

The STCA members' continued support of this special Fund has been a unique way for the Club to help and show its appreciation for some important additional areas in the world of dogs. This Fund is further supported from receiving 5% of the profits of the STCA Auction [2003].

The Richard Hammond Silky Rescue Fund (Roled into Rescue Fund)

A Silky Terrier Rescue Program was established in 1989 when STCA member Richard (Dick) Hammond made a generous donation of \$1000.00 to STCA as a memorial for another STCA member, William Lehnig. Dick Hammond specified the donation was to be for a Silky Rescue Fund. The Board appropriately decided to call the STCA Silky Rescue effort The Richard Hammond Silky Rescue Fund. Since the original donation from Dick Hammond, the fund has remained self supporting thru donations and other fund raising activities including setting aside 10% of the auction money received for The Rescue Fund and having an option on the renewal blanks for donations to Silky Rescue. This distribution will only occur if the Specialty is profitable. (2007)

The purpose of the Silky Rescue Program is to help abandoned or abused Silkys. The goal is to place rescued Silkys in responsible pet homes, however, if a dog is found unsuitable for adoption because of age, temperament, or health, it will be euthanized in a humane manner.

Every effort will be made to locate the breeder of a rescue dog and get the breeder to take responsibility for said dog. It is the duty of a Breeder to be responsible for all dogs he/she has bred throughout the dog's lifetime.

The success of the rescue program depends upon every STCA member caring enough about the breed to get involved, be informed, and help in some capacity. There are many facets of rescue that members can help with even if they can't, or won't, offer to provide a temporary foster home.

As members of STCA, we can show our love for the breed by helping those unfortunate Silkys who are homeless by contributing in various ways to the Rescue Program.

For the Board approved and current operating procedures for the Rescue Program see the Policies and Procedures section. It is important for all members to be familiar with the Rescue Program Policies.

Additional reminders and facts to know in conjunction with the Rescue Policies and Procedures listed in the General Policies section.

From its beginning until the present time, the STCA Rescue Program has continued to increase in scope. The number of Silkys rescued each year now, unfortunately, is in the range of one hundred and includes all areas of our country. To insure the success of this effort we need the participation of all members. There are numerous ways you can help, even if you do not wish to provide a foster home. Make it a point to talk with a Rescue Coordinator and find some area of Silky rescue you can support.

The intent of rescue work focuses on the welfare of Silky Terriers and is not to relieve owners and breeders of their responsibility. When faced with a dog for placement the first step should be to assist the owner in placing the dog by providing names of people who are looking for dogs. Also, contact the breeder to try to get the breeder to accept the responsibility for placing the dog. There is a standard STCA owner surrender form specifically for this purpose...It must be

used. No Club member should take possession of a dog to be rescued without this written transfer of legal responsibility. If it is an extreme emergency where the Silky needs to be taken into possession and a surrender form is not readily available, then write a letter stating that this

Silky is being willingly turned over to STCA Rescue and make sure it is signed by the person responsible for the Silky. (Contact the Rescue Coordinator for information on these forms.) when a Silky is taken into the program it should be evaluated by a veterinarian, with possible boarding for health purposes if recommended. Make sure it gets shots, worming, bath (with dip if needed). Dental care and micro chipping may be covered expenses, but be sure to clear them with the Rescue Coordinator or they will not be covered.

The Program specifies that all rescue Silkys will be spayed or neutered. If there is a veterinary/health reason that this cannot be done, the Rescue Coordinators should be consulted as to whether an exception can be made.

Close attention should be paid to grooming the dog as close to the standard as possible or in some cases just an attractive clip so it will make as good an impression as possible with prospective adoptive homes.

If the Silky seems to be so unsuitable for adoption that euthanizing is contemplated, the individual rescuers are urged to consult with the STCA Rescue Coordinator before using this option.

There is a standard STCA Adoption Contract. These adoption forms must be used to insure that all terms and conditions of a rescue are consistent and in writing and are agreed upon by all parties involved. (Contact the Rescue Coordinator for these forms.)

Remember that STCA rescue is just that, a rescue program. However, Rescue will not purchase Silkys from puppy mills, pet stores, or auctions. The program will try to handle any Silkys from these situations, but only if they are turned into Silky Rescue free of any purchase costs.

AKC papers: It is important to contact the Rescue Coordinator concerning the handling and disposition of any AKC papers which might accompany the rescued Silky. Do not automatically give the AKC papers to the new owner.

Charging a fee to adopt a rescued Silky. This is to be a suggestion to the new owner, but it should not be a condition of an adoption. Finding the right home for the Silky is the first priority. Generally speaking, the

rescued Silky should never be given away “free”. Even if the adoption fee is nominal, there should always be a fee of some kind. People naturally place more value on something in which they have invested some money. You should suggest that they donate an amount equal to the expenses STCA Rescue has had in helping that particular Silky. Explain to them that this helps recycle rescue money so that we can help other Silkys in need. It is also prudent to remind them that as they enjoy their new friend, hopefully for years to come, that they might want to keep the Silky Rescue Program in mind for future donations.
