

Silky Teens Application

Any child is eligible for membership in SilkyTeens when sponsored by an STCA Member in good standing. The child must be between the ages of 10-18 years. There is no charge for membership in the SilkyTeens. SilkyTeens do not have voting privileges. After reaching the age of 18, SilkyTeens are granted a 12 month grace period to become a member of the STCA without going through the approval process. Interested SilkyTeens, who have become of age, must complete a new membership application and forward the appropriate dues.
